

## **POLICY 0930 Historic Preservation**

Issued January 1, 1994

### **Historic Preservation**

Executive Branch Departments and Sub-units shall comply with applicable statutory and regulatory provisions and cooperate with the Department of State on:

- (1) Preservation and/or reuse of historic State buildings determined to be surplus to the needs of the department.
- (2) The historical significance of objects in their possession which are 50 years of age or older, and/or which have acquired importance through association with people, places or events significant to Michigan history.
- (3) Administration of programs using federal funds or requiring federal or State licenses or permits.

National Historic Preservation Act of 1966, Public Law 89-665, as amended.

State Register of Historic Sites and Michigan Historical Markers Program Act, Public Act 10 of 1955.
